

Monsoon-Ready Study Checklist

Run through this at the start of monsoon season, and again after any heavy spell of rain.

Name: _____ Week Of: _____ Date Checked: _____

1. Power-Cut Backup Readiness

- ☐ Power bank charged and kept near the study desk
- ☐ Candles or an emergency light within easy reach
- ☐ Next day's lecture videos/PDFs downloaded in advance
- ☐ One subject's notes available in printed or handwritten form

2. Study Corner and Lighting

- ☐ Fixed desk or table set up away from the bed
- ☐ A warm reading lamp available for darker, overcast hours
- ☐ Space is tidy and free of obvious distractions

3. Protecting Books, Notes and Devices

- ☐ Textbooks and notebooks stored in a plastic folder or airtight box
- ☐ Silica gel packets placed in bag and study cupboard
- ☐ Laptop/tablet fully dried before charging if exposed to rain

4. Digital Backup and Routine Flexibility

- ☐ Notes and assignments auto-sync to cloud storage
- ☐ Apps used for tracking work autosave progress
- ☐ Study blocks can shift by 30-45 minutes without being skipped entirely

5. What Your Results Suggest

Result	What It Means
Most boxes checked	Your setup is monsoon-ready — recheck after any major storm
A few gaps	Fix the gaps this week before the next heavy spell of rain
Many boxes unchecked	Treat this as a priority — a single bad power cut could cost real study time
