

WORKSHEET 3

Entrance Exam Tracker and Study Planner

Keep every exam, deadline and mock test in one place

Name _____ Class / section _____ Date _____

Important: take dates and rules only from the official bulletin or website, never from social media posts or coaching ads.

PART A My exam tracker

Fill in only the exams that apply to the courses on your shortlist.

Exam	Course / colleges it is for	Applying ? (Y/N)	Registration opens	Last date to apply	Admit card	Exam date	Result	Counselling
JEE Main								
NEET UG								
CUET UG								
CLAT								
NCHM JEE								
NATA or other architecture test								
Design entrance test								

PART B My six-step preparation checklist

What to do	Done on
☐ Identify the exact course and colleges I want to apply to.	
☐ Check eligibility, syllabus, exam dates and application deadlines.	
☐ Download the latest official information bulletin.	
☐ Create a realistic study schedule alongside Class 12 preparation.	
☐ Practise previous papers and timed mock tests.	
☐ Track application forms, admit cards, results and counselling notices.	

Weekly study planner and mock test log

Plan a realistic week that fits Class 12 and exam preparation together

PART C My weekly study planner

Write the subject or task in each slot. Remember to schedule rest and revision too.

Time slot	Mon	Tue	Wed	Thu	Fri	Sat	Sun
Early morning							
After school or college							
Evening							
Night revision							

This week's goal:

PART D Mock test log

Practise previous papers and timed mock tests, then look hard at what went wrong.

Date	Exam or test name	Marks / score	Topics I got wrong or ran out of time on	What I will do about it
